

## Denmead Striders Virtual Awards Night

*The Virtual Awards night will be hosted on Zoom and this will be recorded as well for anyone that is unable to join us live. The recording will be posted to Facebook and a link put on the club website taking you to YouTube to view.*

Some basic instructions to those of you not familiar with Zoom are as follows:

To use Zoom you will need a device with a webcam. A Laptop (or a desktop with wide screen) works better as will be able to see more people on the screen but can also be used on a tablet/phone (again as long as you have a camera). There is an app available to download if you use this way.

A meeting ID will be provided and a password to enter may also be required. To join you need to go to: [www.Zoom.US](http://www.Zoom.US)

For further detail on how to join a meeting please use the below link -  
<https://support.zoom.us/hc/en-us/articles/201362193-How-Do-I-Join-A-Meetind->

Once on the site enter the meeting ID provided

Ensure your microphone & Camera is on (unless you just want to watch without this being enabled).

You should then be able to see Clare & Terry along with some other friendly faces for the start of the awards. Please try to locate yourself in a well-lit room.

Whilst Terry & Clare will be doing most of the speaking we still encourage you to clap, say thank you for your potential award but certainly do not require anyone to make speeches!

Pour yourself a drink, get comfortable and let's make it an awards night to remember!
