### 1. Committee Meeting.

#### 1.1 Club Chairman

Clare Welch reported;

Welcome to November, with the HRRL SCCL in full swing it has been great to see everyone in their club colours getting involved. On that note the new club kit is now in stock and available to order online to date we have sold 6 vests and 3 t-shirts since the beginning of September.

Christmas party is booked for the 12th December at Horndean. Upon looking into the DJ I feel this is too expensive so am looking at a simple speaker and playlist. I have also decided to scrap the raffle this year unless there are any strong objections. From my understanding in previous years this was to raise funds towards the evening but with current sufficient funds, off the back of the 10k, I do not feel it necessary and quite frankly it consumes a lot of the evening with quite a few helpers missing out on their night. The committee had no objections to scrapping the raffle.

I have been looking into a Trackchat which is an online platform which can help with club membership payments, communications, newsletters etc. I am still in the early stages of investigating there is a cost involved which would be purely on the membership -transaction fee is 7.5%, 6% goes to us and 1.5% to stripe. This is on all transactions done within the platform. Will continue to investigate. The committee agreed this is a good idea to look into.

The AGM & awards night has been booked for the 27th March at Denmead War Memorial again.

I have unfortunately not had any feedback on the club positions which is a slight concern, I therefore ask the committee on how we plan moving forward should the roles not be filled.

The committee discussed what will happen if no one comes forward to fill the roles and it was decided the various jobs the Chairman, Secretary and XC captain do will be taken on by the other members of the committee until the roles are filled. The chairman and secretary are to write out their roles in more description so members know exactly what would be involved.

#### 1.2 Vice Chairman

Kimberley Churchill had nothing to report.

### 1.3 Club Secretary

Lisa Peckover reported;

Gemma Heggs DBS approved.

London Marathon confirmed we have one place for 2026. A draw has been arranged for the 19<sup>th</sup> November. Clare Welch asked for clarification on members becoming eligible, this was confirmed.

#### Matters Arising from 14<sup>th</sup> August 2025 meeting:

**HRRL Car Share** – Andy reported that the car share has had a slow start. Him and Sam will keep trying. Race 'debriefs' at the pub have been slightly better received and seem to be something everyone enjoys and gets behind.

**Charity Donation in memory of Gary Cassap** – Clare Welch organised the £100 donation.

**Comedy Nights** – Andy Taphouse contacted the organiser regarding a group discount, but it wasn't that much considering the deals that come up every so often. It was decided to leave organising a group night.

**HRRL Incentives** – This was discussed and it was decided to keep things simple and keep promoting the races as we are now, with the possibility of perhaps doing something at the awards night.

**Food Bank Run** – A food bank collection was held on 3<sup>rd</sup> September at our training session; it was another success. The consensus is to continue to organise these twice a year. Lisa Peckover has confirmed she will continue to organise even after stepping down from her role.

### 1.4 Club Treasurer

Stuart Hoare reported;

Since the last committee meeting the club has put on the Denmead 10k race, this generates a substantial part of the club's total income and without, the club would not be able to pay for as much as currently.

This year the race entry fees received totalled over £6,000 and after the payment of all related costs, a surplus was achieved of £2,017.

For reference, surplus for the previous year was £2,036.

On the general operation of the club, the main item of expenditure over the past three months, is the club had committed to purchase a new stock of running vests and T-shirts, for sale to the club members. This process has required the club to tie up £1,157 worth of funds into this stock purchase. Recovery of those funds is dependent upon members purchasing the new running kit.

In summary, this year January to date:

The club's income is.

Membership contributions £1,346

Denmead 10K surplus of £2,017

The club's costs are.

Affiliations subscriptions £530

Social & AGM events £860

Ryde transport £408

Coaching courses £200

General running costs £339

Leaving a net surplus to date of £1,026

Funds allocated to the purchase of new club kit of £1,157

Currently the club has reserves held totalling £5,165

### 1.7 X-Country Representative.

Paul Welch reported;

The season is underway, albeit with just the one race having taken place.

The first race at Benyon's enclosure had an attendance of 25 men & 11 ladies, which was up from last year's first race, which is great to see.

The women finished in 11th & the men were 1st, giving us a team result of 5th out of 22 teams. So, a very good start.

The next race is at Bourne woods on the 23rd November.

With the others as follows:

21st Dec – Lord Wandsworth (Clashes with coastal marathons)

18th Jan – Chawton House

8th Feb – 100 Acre wood (TBC depending on local authority approval)

1st Mar – Alice Holt
